

JLP Print-er+

Why Buy From Us?

Simply buy your toner cartridges from us and we'll provide you with everything you need to print for less.

Our exclusive approach eliminates traditional hardware and maintenance costs by providing your office with business class printer(s) and multifunction devices (MFPs) with all printer maintenance and on-site service included.

In exchange for the use of our printers, all we ask is that you make your initial and ongoing toner cartridge purchases from us.

It's that simple.

Plus, our JLP Print-er+ premium quality toner cartridges deliver exceptional performance and reliability while helping you save up to 30% compared to big box store toner prices.

Typical Office

- Purchases or Leases Equipment
- Buys Expensive Consumables
- Reactive Toner Ordering
- Employees or IT Service Printers
- No Cartridge Recycling Returns

JLP Print-er+

- No purchase required
- Enjoy savings of up to 30%
- Proactive delivery of ink and toner
- Convenient local on-site service
- Easy cartridge return process

We make it easy for your office.

Get the printing equipment and local service you need to improve efficiency and control print related expenses.

With no hidden fees!

What's Included In The Printing Program?

Needs Assessment: You'll receive a print assessment so we can understand your current printing activities and costs.

Expert Advice: You'll benefit from our 20+ years of office printing experience to help you select the best solution for your needs.

Office Printer / MFP: From replacing a desktop printer, to adding a fleet of multifunction devices, we provide brand name selections for all your printing, copying, faxing and scanning needs.

On-Site Service: We'll come to your office to provide professional service and maintenance for the printer(s) and/or MFP(s) you select from us.

Premium Quality Toner: Enjoy exceptional print clarity and reliable performance with high-quality printer cartridges—delivering outstanding results at up to 30% less cost.

Supplies Replenishment: Stay productive with our automated toner fulfillment service or simple online ordering—designed to eliminate hassle and keep your workflow running smoothly.

Cartridge Recycling: We will help you recycle cartridges to minimize environmental impact and avoid used cartridges going to landfills.
